Under this head an enhanced provision of Rs 4,500/- has been proposed for the current year 46-47, as against the sanctioned provision of Rs 3,500/- for the year 45-46 The increased provision is explained to be due to the fact that the revision of assessment on buildings and lands is to be taken up during the current year In view of the proposed revision of assessment the Municipal Council expects an increased income, the enhanced provision may therefore be retained

"B 6-Water Tax" The enhanced provision of Rs 3,900/- proposed under the head- water-tax for 46-47, may be reduced to Rs 3,000/- for want of proper explanation for the increased provision
